Children are allowed to bring hockey sticks as long as they have a CSA approved helmet and mask. Thank you for helping us!!

## Wildly Important Goal

Our school is working so hard to reach our Wildly Important Goal - Every student in Stavelly School will show growth in their reading. One of our lead measures (strategies) is for us to read **4000+ books** by June. If we reach our goal, the whole school is heading to the Vulcan Pool again to celebrate!!

You love swimming too? You can help us by reading with your child each day, read aloud to each other, practice heart (sight) words, prepare for spelling tests and dedicating special time to reading. We're so excited to see our goal light LIGHT UP!! Thank you for helping us!!

## UPCOMING EVENT:

### GRADES 3 - 6 FIELDTRIP TO STORYBOOK THEATRE

Our Grades 3 - 6 students will be heading to Calgary to take in a fine arts production - A Wrinkle in Time - on February 28th, 2024.

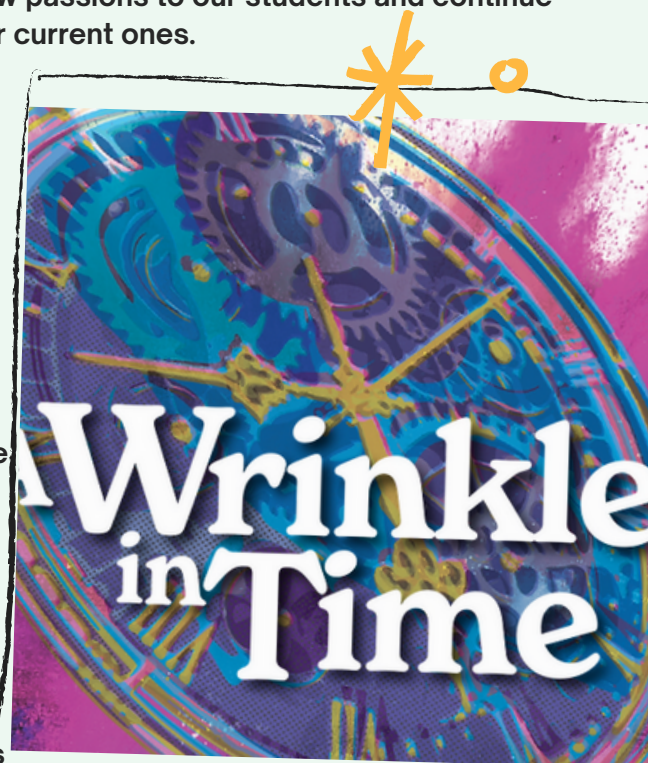

One of literature's most enduring young heroines, Meg Murry, is back--braces, stubbornness and all. Meg Murry and her little brother, Charles Wallace, have been without their scientist father, Mr. Murry, for five years, ever since he discovered a new planet and used the concept known as a tesseract to travel there. Joined by Meg's classmate Calvin O'Keefe and guided by the three mysterious astral travellers known as Mrs. Whatsit, Mrs. Who and Mrs. Which, the children brave a dangerous journey to a planet that possesses all of the evil in the universe. Thank you to the Stavelly Education Foundation for covering all student admission costs. We appreciate your support!! If you are interested in joining us, please contact Twyla Cyr at 403-549-3757 or [cyr@lrsd.ab.ca](mailto:cyr@lrsd.ab.ca).

## Upcoming: Passion Projects

We are planning for our Passion Projects which are every Wednesday from 2:20 - 3:40 p.m. from February 14th - March 27th, 2024.

If you have a special talent or gift that you could share with our students, can you please let Ms. Watson know ([watsonl@lrsd.ab.ca](mailto:watsonl@lrsd.ab.ca))? We would love to offer new passions to our students and continue our current ones.
